Dear Friends,

Welcome to our 2026 Registered Angus Bull Offering! Our Opening Day Sale is **Saturday, March 21st**, held at our farm south of Bridger. We greatly appreciate the time you are taking to look through our catalog. This is our 38th year of selling Registered Angus bulls in Montana and our third year utilizing Frontier Livestock Sales.

We have an excellent set of bulls again this year. If you are looking to improve your weaning weights, carcass traits or keeping some replacement heifers with calving ease as a priority, please take a good look at our bulls and their strong EPD's. All our bulls were genetically tested through AngusGS which increases the accuracy of EPD's. Seventeen of these bulls earned the coveted Certified Angus Beef Targeting the Brand™ logo. This logo highlights registered Angus bulls with greater genetic potential to produce calves meeting the most challenging specifications of the Certified Angus Beef® brand. Bulls must meet genetic requirements of +0.65 Marbling EPD and +55 Dollar Grid (\$G) to qualify.

Our yearling bull feeding program was a high roughage ration containing chopped hay, silage, corn, and pellets, with an aim to achieve a moderate gain to preserve structural soundness and fertility. Our preference is to not push the bulls too hard while on test. Please be on the lookout for a supplement sheet with yearling weight and fertility information in early March.

The bulls have been retagged with lot numbers and are cataloged by sire groups. Each bull's dam's tag is in the catalog footnotes. The cows are located at our Bridger farm, close to the barn; you are more than welcome to view them and their baby calves. Our cows summered on our dryland pasture 10 miles north of Columbus off of the Rapelje Highway.

We hope you can join us **Saturday, March 21st** in person or online. Kathy, Allison, Katrina, Adam, Reagan and Rhett, and Adan Gandara (our Herdsman) will all be looking forward to seeing you at the Opening Day (or before). Between us, the Frasers with Frontier Live, and Andy Rest, we will be able to answer any questions you may have.

And, again, we appreciate all of your support.

The Dubs Family

Kathy, Allison, Katrina, Adam, Reagan and Rhett

**Sale day phones** (Cell service is not reliable in sale barn.)

Scott Fraser - 406-860-6548

Sam Fraser - 406-860-0590

Andy Rest - 406-670-5678

Kathy Dubs - 406-208-8643

Katrina Petersen - 406-855-5848

Allison Dubs - 406-861-7735

**Frontier Live**

Our Opening Day Sale will be

broadcast live over the internet. See page 4.

**Sale Location and Test Site**

The bulls can be seen anytime at our farm located four miles south of Bridger on Hwy. 72 on the west side of the road and the sale will be held in the green shop. The address is 1795 Hwy. 72, Bridger, Montana. 59014.

**Delivery**

Free delivery within 300 mile radius, the balance at cost. Bulls will be delivered in April and May.

**Wintering**

Free wintering until May 1, 2026.

**Volume Discount**

We offer a 2% discount on 2 bulls, 3% on 3 bulls, 4% on 4 bulls and a 5% discount on 5 or more bulls purchased by the same person.

**Performance Data**

Birth weights, 205 day weaning weights, nursing ratios and dam's production record, are included in this catalog. All EPD's are current as of 2/1/2026. All the bulls have genomically-enhanced EPDs through AngusGS which are more accurate than traditional EPDs. You will also notice that 17 of the 25 bulls earned the CAB Targeting the Brand designation which shows superior carcass traits. Yearling weights and scrotal measurements will be mailed to you in early March.

**Carcass and Ultrasound Data**

Ultrasound measurements for Marbling, REA and Rump Fat are included in the catalog. Eric Geving with Precision Ag Services of Cody, Wyoming, ultrasounded the bulls in January. The results were tabulated by the American Angus Association.

**Fertility**

Dr. Lyle Bischoff with Powell Vet Clinic, will be fertility testing the bulls again this year in February. The SC's will be mailed out with yearling weight information and the complete fertility exam reports will be available on sale date.

### **Herd Health Info**

We use Powell Vet Clinic and Stillwater Vet Clinic, Absarokee, Montana for our herd health. The bulls were pre-conditioned last fall with CattleMaster Gold FP5, Vision 7 w/ Spur and Endovac Beef. At weaning, we poured them with Dectomax. Post-weaning, they got Bovi-Shield Gold One Shot, Vision 8 Somnus w/ Spur, and Endovac Beef. On December 17, they got Fusogard (foot rot shot) and we poured them with Clean-Up II in January.

### **Marketing Your Calves**

It's our goal to help you get the most out of every dollar you spend here on your Angus bulls. We can help you achieve that through the use of AngusLink, which is a Source Verification program. The only cost for you to utilize this American Angus Association program is purchasing the required EID tags. If you are interested, there's an ad in the sale catalog on page 11 that will point you to the AngusLink website. As our customer, we want to help you in any way we can.

### **2026 Breeding Season Guarantee**

We will split the risk with you 50-50. This plan is good for the first 90 days after the bull is turned out. If he becomes injured during that time and cannot return to service, have your vet take a look at him and give you a written diagnosis/prognosis. The bull can then be sold for salvage. Take the amount you paid for the bull minus the salvage value and then divide that amount by two. That will be your credit for another bull. Please let us know as soon as possible but no later than 9/15/2026.

Example: You pay \$7,000 for the bull. He gets injured 45 days into the breeding season and the vet determines he cannot return to service and puts it in writing. You take him to the auction yards and salvage him for \$2,800. You send us a copy of the vet's letter and the ticket from the auction yards. We give you \$2,100 credit on another bull from us in 2027 at next year's sale.

Amount paid for the bull	\$7,000
- Salvage value	<u>- 2,800</u>
	\$4,200 ÷ 2 = \$2,100 credit

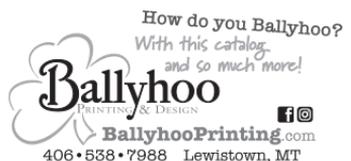

### **Terms and Conditions**

The cattle sell under the suggested terms and conditions of the American Angus Association.

### **Not Responsible for Accidents**

[www.WindingRiverAngus.com](http://www.WindingRiverAngus.com)

## SALE FORMAT

**Frontier Live Sale** will facilitate the sale live over the internet, but bids will also be taken from the crowd in person like last year. It is similar to a regular sale, however there is no auctioneer and it is more low-key. At 1 pm on Saturday, March 21st, the lots will start closing in catalog order. The starting prices for the bulls will be posted online several days before and on the board, the morning of the sale. There will be several options to bid including in-person on the day of the sale, online on the day of the sale, and early online Proxy. In the event that the opening bid results in a tie between an in-person bid and a Proxy bid, the online computer will automatically accept the Proxy bid first. Videos of the bulls are available for viewing on [www.frontierlivesale.com](http://www.frontierlivesale.com).

• **In-Person** - You can come to the farm on sale day, March 21st, look at the bulls and have lunch. We will start closing the lots in catalog order at 1:00. Scott Fraser with Frontier Live and Andy Rest (Fieldman with Cattle Business Weekly) will be on hand to keep things clear and transparent. You will know what the price is, where you stand with a bull, and if there are bids coming from the internet.

• **On-Line** - If you can't be there in person, you can be on your computer and bid as the lots close starting at 1 pm on March 21st. NOTE: if your internet connection is marginal, we suggest you put in a Proxy bid. You need to Pre-Register with Frontier if you want to bid online. Please register early to avoid any issues you may have and make sure you are set up to participate in the sale.

• **Phone** - If you would like to bid via phone, please contact us as soon as possible to arrange phone bidding because cell service is not consistent.

• **Proxy** - You can place a "Proxy Bid" online ahead of the sale indicating the maximum you would pay for the bull. No person will know what that amount is so you can use that with confidence. When that Lot comes up, if there is competitive bidding, the computer will bid for you up to that amount. For example, if you set a proxy bid at \$6,000 but there are no bids past \$5,500, you would have him at \$5,500. If there are online or onsite bids, the system will bid on your behalf up to (but not more than) your proxy bid.

## FRONTIER LIVE SALE

This Sale will be broadcast live on [www.frontierlivesale.com](http://www.frontierlivesale.com). To view a sale,

1. Create an account, if you have already done so skip to next step. To create a new account, click on the word **Registration** in the upper right hand corner. You must fill out the information requested. Then click **Create Account**. An email will be sent to your email account you provided. Please click the link in the email to activate your new account.

2. Once you click the link, your account will now be activated

3. At this point, you may click **Continue To Browse Our Site**. This will allow you to view all upcoming auctions.

4. Once you see the auction you are interested in, click **Get Approved To Bid** for absentee and live bidding.

5. Please enter your information in the form. Depending on the auctioneer, different information may be requested. Click **I agree to sale terms and conditions**. Congratulations! You are now approved for the auction. Now that you're approved you can participate in the auction and bid on its items.

6. Login on sale day with the credentials provided at registration.

Call 866-313-0123 for tech help.
